

CALL FOR APPLICATIONS FOR POLICY CONFERENCE PRESENTATIONS BY BSE JUNIOR MEMBERS

The INSIGHTS project at the Berlin School of Economics (BSE) aims to support the communication and transfer of research results to the public. INSIGHTS is funded by the Leibniz Gemeinschaft and has two main pillars: a platform of exchange between researchers, policymakers, the media, and the public, and the provision of professional guidance and formal training on science communication for junior researchers of BSE partner institutions: BCCP, DIW, ESMT Berlin, FU Berlin, Hertie School, HU Berlin, Universität Potsdam, TU Berlin and WZB Berlin.

INSIGHTS supports the presentations of **policy-relevant research** results by BSE junior scholars (doctoral students and research associates) at national and international conferences and topical workshops.

INSIGHTS offers a (partial) reimbursement of travel expenses up to 1,100 € for workshops or larger conferences where you are presenting (please note: No lump sums will be paid!).
