

## Call for Papers

### 2nd Berlin PhD Conference in Economics

Berlin, July 6 - 8, 2026

We are delighted to announce the **2nd Berlin PhD Conference in Economics**, taking place from **July 6 to July 8, 2026**.

The conference aims to provide a platform for PhD students from all over the world to get together and discuss their research. It is an exceptional opportunity to receive feedback on your work and connect with fellow researchers. The conference consists of **two parallel workshops**, divided by fields:

#### Applied Microeconomics

Keynotes: **Esmée Zwiers & Simon Jäger**  
Venue: **WZB Berlin Social Science Center**

#### Micro Theory and Behavioral Economics

Keynotes: **Jeanne Hagenbach & Botond Kőszegi**  
Venue: **Hertie School**

The three-day program of each workshop involves seminar presentations, poster sessions, and invited keynotes by renowned researchers of the respective field. Application and attendance is restricted to one workshop per participant. There will be opportunities to connect with participants of both workshops.

We welcome submission of either **papers** or **extended abstracts**. To offer a platform for early-career researchers, we only accept submissions from **current PhD students** (at time of submission) with **junior co-authors** who obtained their PhD no earlier than October, 2021. Applications are encouraged from across the world and partial financing is available.

**Submission deadline: January 25, 2026**
